

50 606 AERO CLEAN RAPID

product name:

- AERO CLEAN RAPID.

ingredients:

- Surface-active agents, additives, water, alcohols.

basic information:

- Highly effective cleaning agent for AERO COLOR® Professional.

characteristics:

- Creep active
- for removing dried-on airbrush colours residues from spray-guns
- biodegradable.

handling:

- For cleaning tools working with AERO COLOR® Professional like spray-guns or brushes.
- AERO CLEAN RAPID is ready to use, but can be diluted with water if necessary. The addition of water reduces the cleaning force.
- All tools should be cleaned thoroughly with water after being treated with AERO CLEAN RAPID.
- They should not rest unnecessarily long in cleaner.
- Submerge brushes only to the ferrule – in accordance to the used lacquers the product might also solve the varnish of the brush handle.
- Close immediately after use.
- Store in a cool and dry place.
- Individual pre-tests are required (see footer).

product labeling:

- Please refer to the individual safety data sheet on our website www.schmincke.de or www.aerocolor.de.
